CALL FOR PRESENTERS!!

The External Consultant Community of Practice wants to hear from our multitalented and experienced GOOD Network members! While this has been discussed a few times over the last year, it is finally happening! We are excited to put out a call for presenters to deliver consulting-related best practice presentations at our July bimonthly meeting. This call is not just for external consultants to answer, but for anyone in the GOOD Network with a best practice to share that can be useful for our consulting colleagues.

What training, leadership, or business impact interventions have you performed in your organization or with

Thoughts from Rob Rogers, President

Your GOOD Network membership includes access to all of the program materials from past [Bi-monthly Programs](#) (as far back as 2004). Our [Communities of Practice also upload program materials](#) used in their meetings. Here are a few ideas to make the best use of these pages:

- Create a file based on the topic for future research purposes.
- Call a GOOD Network member who attended and have them discuss the slides with you over coffee or a meal.
- Provide a debrief of a key concept and discuss how it might add value to the organization or the client.
- Network by emailing an example of the great presentations GOOD has and invite someone to attend the next Bi-monthly meeting.
