Sessions

"Moving Targets" presented by **Michael Chetta & Kevin Masick** Technology has evolved to open new doors of data waiting to be statistically analyzed. Learn and apply a conceptual model, toolkit and tools provide a systematic approach to analyzing data while promoting critical thinking to leverage the power of statistics for decision making during this session.

"Bridging the On-Boarding Gap with 7 Simple Steps" presented by **Les Cowie** Still today, most job entrants, after receiving a good sign-on and organization orientation, are walked across to their new position, introduced to whomever may be there at the time, and then left to integrate into the new job by trial and error. That gap can be

GOOD Mentors Wanted!

"One of the greatest values of mentors is the ability to see ahead what others cannot see and to help them navigate a course to their destination." — John C. Maxwell

If you are wanting to move up in your OD career, mentoring is a great place to start. This year, we've matched 6 mentoring relationships so far, who are working on desired goals. A mentor can help make connections or give you guidance to desired success. We are in need of additional mentors & proteges who are interested. If you're interested, email Barbara Seifert, Ph.D., CPC at barbara@cyscoaching.com to get you started!

bridged with 7 simple steps. Learn how in this session.

"Growth Mindset as a Foundation of Success" presented by **Scott McComas**

Growth Mindset is more than just having a positive attitude. It can be an invaluable tool, not only for individuals & teams, but for entire companies. Learn how you can use the Growth Mindset to help build a foundation of success.

"Energy Leadership" presented by **Sindy Cassidy** Powerful leaders motivate themselves and inspire others to reach their true potential. By developing the ability to shift our internal energy "in the moment" we can draw on the strength behaviors that serve us vs. the stress behaviors that can limit our leadership effectiveness. Learn how you can apply these skills in this session.

Communities of Practice
