April Bi-monthly Meeting

The Secrets of Successful Coaching – and the Surprising Pitfalls

Join us **Friday, April 5, 2019** when Master Certified Coach Giuseppe Totino will take us on a discovery of what successful coaching looks and feels like, how coaching is different from other modalities such as mentoring, and how to select the right type of engagement for ourselves and our organizations.

We'll also explore what coaching failures can look like and how to avoid them. We'll experience coaching and other facilitated methods during an interactive session.
